Step 2: Click on the Zoom meeting link in the email from the studio.

*Tip - Start the login process early so you are ready to go at class time.

Step 3: Once you have logged into the class click on the option to “Join with computer Audio.”

*Tip – The teacher has access to “mute/unmute” audio for participants.

*Tip – Click yes to “Allow program to make changes to computer”

Step 4: Enjoy your yoga class!

*Tip – At the bottom of the Zoom window, you will see a button that says “Chat.” This feature allows you to communicate with the teacher at the end of class.

*Tip - If you missed the class or joined late, we will send a recording of the class to all those registered in Vagaro. Recorded classes will be available for a limited time.
